Dine in | Breakfast | $20–40

best breakfast i've ever had! coffee was strong and hot. chef and the kitchen staff clearly have passion for their craft. call ahead as the place is busy.

Really bad service, waited 45min drinking water. Didn't get our food or coffee. Others came in after us, ate and left and we were still waiting.
Staff seemed very unorganised and no care for seated patrons..
So we just walked out.
